OUR ESSENTIAL OILS FROM FRANCE. 100% PURE AND NATURAL ARE AVAILABLE FOR THE MOST, IN BOTH ORGANIC OR CONVENTIONAL.

- Chromatographic analyses are available as well as standard regulatory documents (SDS, IFRA, Allergen...)
- In order to ensure your supply, the production of those different plants can be contracted.

## FLORAL WATERS

- Floral waters of Lavender, Lavandin, Thyme, Geranium, Peppermint, Verbena, Olive Leaves, Calendula and Chamomile Matricaria are also available, to order before production.
- They can be filtered and preserved under Cosmos organic certification.

## CO<sub>2</sub> EXTRACTS

- The range of CO<sub>2</sub> extracts offers a diversity of aromatic notes, from Provençal aromas to more exotic nuances.
- We offer extracts of Lavender, Thyme, Rosemary, Mountain Savory, Peppermint, Helichrysum, Geranium and Vanilla.

ORGANIC CERTIFICATION IS ISSUED BY ECOCERT FR-BIO-01
